

Project Overview

<p>Client/Organization Information: Company Name: Contact Name: Website Address: http:// Contact E-mail Address: Contact Phone Number: Fax Number: Client ID Number: Stage: Planning</p>	<p style="text-align: center;">Mailing Address:</p>																											
<p>This outline will serve as a guide to the sections that Pyramid will construct for your site as well as the basis for the estimate we will provide. Please check off each section needed for your site as well as checking each function you wish to be built into the page. It is important that you label the services/products in #2 with their exact titles and give a brief description of how much information will be contained within. This is to ensure that we have a full list of the sections of the site and the approximate size and detail of each.</p> <p>Sections and Content <input type="checkbox"/> About the Company <input type="checkbox"/> Locations/Hours <input type="checkbox"/> Mission Statement <input type="checkbox"/> Company History <input type="checkbox"/> Investor Relation <input type="checkbox"/> Directions/Map <input type="checkbox"/> Privacy Policy <input type="checkbox"/> Company News or What's New <input type="checkbox"/> Company Services/Products <input type="checkbox"/> Service or Product 1 <input type="checkbox"/> Service or Product 2 <input type="checkbox"/> Service or Product 3 <input type="checkbox"/> Service or Product 4 <input type="checkbox"/> Portfolio and/or Gallery <input type="checkbox"/> Sitemap <input type="checkbox"/> Order Form (Online forms) <input type="checkbox"/> Contact Us <input type="checkbox"/> FAQ (Frequently Asked Questions)Page <input type="checkbox"/> Additional Item <input type="checkbox"/> Additional <input type="checkbox"/> Additional</p>	<p>SERVICES</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;">3rd Party</th> <th style="width: 15%;">PWD</th> <th style="width: 70%;">Service</th> </tr> </thead> <tbody> <tr><td> </td><td> </td><td>Domain Registration</td></tr> <tr><td> </td><td> </td><td>Domain Name Management</td></tr> <tr><td> </td><td> </td><td>Website Hosting</td></tr> <tr><td> </td><td> </td><td>Website Design</td></tr> <tr><td> </td><td> </td><td>Email Hosting</td></tr> <tr><td> </td><td> </td><td>Maintenance</td></tr> <tr><td> </td><td> </td><td>E-marketing</td></tr> <tr><td> </td><td> </td><td>E-commerce</td></tr> </tbody> </table> <p>Functions and Programming <input type="checkbox"/> Mailing List (Newsletter) <input type="checkbox"/> Dynamic Content (you manage content) <input type="checkbox"/> Shopping Cart <input type="checkbox"/> Credit Transactions <input type="checkbox"/> Encrypted email <input type="checkbox"/> Database Level Content <input type="checkbox"/> Blog</p> <p>SECTIONS INCLUDE: (Major Menu Choices) Example: HOME ABOUT US PRODUCT ONE PRODUCT TWO CONTACT US</p> <p>Project Sections: 1. 2. 3. 4. 5.</p>	3 rd Party	PWD	Service			Domain Registration			Domain Name Management			Website Hosting			Website Design			Email Hosting			Maintenance			E-marketing			E-commerce

Make a list of sections & features that you **need** for your site and include features that are not required under **wants**.

NEEDS	WANTS

Describe what you **like** and **dislike** about other sites on the web and your current site if you have one.

LIKES	DISLIKES

I
